

Sun comes out for Llanfrynach Village Fete

Llanfrynach Village Fete took place on Saturday July 7th at Llanbrynean fields. On a very hot Saturday people came out in their droves and children took part in races while families enjoyed teas, drinks and a bbq. The day started with around 140 runners taking part in the Fan Y Big race run by Mynydd Ddu Running club with the first runner returning in one hour and 17 minutes. Picture above is the field during the fete and right is the winner of the Fan Y Big race.

Lower speed limits for Llanhamlach and Nant Ddu

LLANFRYNACH Community Council has fought tirelessly for a number of years with Welsh Government to reduce the speed limit on both the A40 Brecon to Abergaveny at Llanhamlach and the A470 to Merthyr Tydfil at Nant Ddu. They finally agreed and the new, lower, 50mph speed restrictions are now in place. Please drive carefully.

Churchyard gets tidy up thanks to village locals

A GROUP of locals from Llanfrynach got together recently to cut the grass in the village churchyard. The group of men, led by Ray Powell, cut around the graves that cannot be cut by the mower. They then retired to the pub for a well-earned pint. Llanfrynach Church would like to thank the men and also to Llanhamlach Church for funding the refreshments.
