## Powys Announcement

# Daytime activities for Older People

Powys County Council is currently consulting on a series of options regarding the future of Daytime Activities for Older People (including Day Centres).

You can find out more from the Council's consultation portal at [www.powys.gov.uk/consultations](http://www.powys.gov.uk/consultations)

This includes the consultation document and survey, along with information on the research carried out to date.

The consultation is open until 9 November 2016 and the Council will be talking with a variety of stakeholders including service users, their families and staff over the coming months.

They are also keen to hear from Powys Teaching Health Board staff, regardless of age (particularly if you live in the county), as these service will be of interest to many of us as we grow older in Powys.

Equally, if you have family members/friends who wish to comment, they'd like to hear from them too so we'd appreciate if you'd direct them to the link above.
