

Photo from Point A - Looking north west in direction of Brecon. Crossing 1 at The Old School and 2 and 3 at Millbrook are indicated by yellow lines. No road markings or signs visible to oncoming traffic.

**Issue** The three crossings through the central reservation of the A40 dual carriageway (no 1 adjacent to The Old School and nos 2 and 3 adjacent to Millbrook Farm) are unusual for a fast trunk road as they are currently unsigned - either by road markings or by signposts - to traffic approaching from either the Brecon or Abergavenny direction.

Numerous collisions occur due to vehicles using these crossing points being hit by following or oncoming vehicles. Drivers of the latter do not expect to encounter vehicles turning to, or joining the carriageway from, the right. Using the crossings is particularly hazardous for the farm's tractor and trailer, which is slow moving. The hazard at crossing nos 1 and 3 is compounded for drivers travelling from the Brecon and Abergavenny directions respectively because the highway geometry and trees prevent the driver getting a good view of the crossing from a distance.

**Request** Measures are taken by the WG to reduce the hazard at these 3 crossing points.

Photo from point B - Looking south east at Millbrook in direction of Abergavenny. Crossings 2 and 3 are indicated by yellow lines.
